Testimonial: Hungry Hearts

Our centre holds fundraisers and other events throughout the year. Since Hungry Hearts has opened in Palmerston we have appreciated their warm hearted, helpful service. Their assistance in catering and generosity has exceeded expectations, making our events far less stressful.

The café has become a regular meeting place for many of our members. An excellent addition to the few options available in Palmerston, Hungry Hearts has quickly gained credibility among the wider community. With excellent quality meals, snacks, cakes and coffee at affordable prices and situated within a shopping complex, this café has much appeal.

The team there has endeared itself to many. We have no hesitation in recommending Hungry Hearts to others.

Yours faithfully

Jessica Barrett
